# Why choose an insured leased vehicle?

Cover will start on the day of delivery, you can rest assured that this will continue right through to when we collect the vehicle

By packaging together these products you will receive a complete and hassle-free approach to your vehicle needs that will save you time and money.

You can have the certainty of a fixed monthly outgoing for all your vehicle costs in one consolidated place and at a competitive price for the duration of your vehicle's term (up to 5 years)

You will save time by not having to shop around for insurance renewal quotes

Our maintenance cover ensures that your vehicle is maintained and serviced regularly and we also provide you with an extensive breakdown package so that you are never stranded

We don't have to wait for authorisation to repair your vehicle – significantly reducing your downtime and getting you back on the road quicker

In addition to new vehicles, you can add Arval Total Care to an existing lease giving you full peace of mind

For Business Lease, Arval Total Care utilises the tax and financial benefits of Contract Hire to enable you to reclaim the relevant VAT charges where appropriate
